Summary of Activities

Through the traditional Chinese festival - Lunar New Year, our kindergarten organized a Lunar New Year Fair. During the Lunar New Year Fair, there were different booths for children to learn about New Year cultural activities. These booths included activities such as "Huichun" puzzles, fishing for lucky fish, memory games, painting New Year vases, and a Chinese New Year photo zone. In addition, we had also included traditional Chinese folk art activities such as dough figurines and cuju (an ancient Chinese ball game). This aimed to help children understand the cultural characteristics of China, experience the joyful atmosphere of the New Year, and cultivate a sense of belonging to their country.
