

Kindergarten Educational Scheme

School-based Learning Activity of Chinese Culture Display Form

Peace Evangelical Centre Kindergarten

Name of School

23-24

School Year

K1-K3

Grade Level

Name of Activities

23-24 National Day Week

Objectives of Activities

Objectives:

1. To understand the meaning of National Day.
2. To understand and revisit Chinese culture.
3. To enhance young children's recognition of their own nationality.
4. To cultivate an attitude of respect towards the motherland.
5. To cultivate an attitude of respect towards other ethnicities.

Summary of Activities

Through a week-long "National Day Week," we aim to enhance young children's understanding of Chinese culture. Through various activities such as introducing maps and Chinese cuisine, engaging in creative arts, sharing stories, playing games together, singing songs and listening to poems, and learning about the meaning of the national anthem and proper etiquette for saluting, we seek to deepen children's knowledge of China and foster a sense of self-identity.
